We have many social events and outings to consider, such as bus trips to the local library, tai chi classes or even opera nights!

Once you move in you'll find yourself asking... 'Why didn't we do this years ago?'

With public transport at your door and a short stroll to Bridgepoint Shopping Centre, MacKillop Grange is conveniently located close to everything you need. The village is surrounded by local restaurants and you'll find a wide choice medical practitioners and specialists just down the road with banks and the post office a few minutes walk from the village.

The village is well served by the Orpheum Theatre, Mosman Art Gallery and the council chambers providing a wide range of year round diverse events.
